Congratulations to our client Nimy Resources Limited on their successful listing on the Australian Securities Exchange (ASX) on Monday 22 November, raising \$6.4m by way of IPO.

Nimy's flagship asset is the Mons Nickel Project which is situated in the Karroun Hill district, in the Forrestania nickel belt in Western Australia. Proceeds from the IPO will be used to accelerate exploration at the project.

Raven Corporate Management acted as lead manager for the IPO.

HopgoodGanim practitioners based in Perth advised on the matter, including Partner [Robyn Ferguson](#) and Solicitor [Lily Robinson](#).
