HopgoodGanim Lawyers' is very proud to confirm our role in the recent transaction involving Coles entering into a joint venture with Australian Venue Co for the ongoing operation of 87 hotels under the Spirit Hotels business.

HopgoodGanim's leading regulatory team led by Partner, [Darrell Jardine](#), advised on the complex Queensland liquor licensing issues which formed a significant part of the transaction.

We congratulate all parties and advisors involved with this significant matter. The transaction remains subject to conditions and is expected to complete by the end of the current financial year.
