

HopgoodGanim Lawyers advise on sale of 360 Environmental to SLR Consulting

17 November 2021

1 min. read

HopgoodGanim congratulates the vendors of 360 Environmental on the successful sale of the company to SLR Consulting, a UK based environmental and advisory consultancy which provides services to the mining, energy, infrastructure, manufacturing and built environment sectors.

The acquisition of 360 Environmental will substantially enhance SLR Consulting's local presence in Western Australian and will offer current clients of 360 Environmental access to local, national and international expertise.

HopgoodGanim Partners [Robyn Ferguson](#) and [Nino Odorisio](#) advised the vendors of 360 Environmental on the sale, alongside Mainsheet Capital.
