HopgoodGanim Lawyers is proud to have advised Aeris Resources on their recent \$50.4 million equity raising by way of institutional placement.

Funds raised will be used to support exploration of the Company's Tritton Copper Operation and Cracrow Gold Operation.

Executive Chairman, Andrew Labuschagne commented:

"This is an exceptional outcome for Aeris and its shareholders and provides the balance sheet strength to accelerate exploration at both our operations in FY22, while progressing in parallel, life extension projects at Tritton."

HopgoodGanim Lawyers Partner, [Michele Muscillo](#), Associate, Isabel Vidot and Associate, Ben Morris advised on the placement.

Michele Muscillo commented:

"We have enjoyed advising Aeris Resources for many years and look forward to continue to support them in future projects."
