

HopgoodGanim Lawyers advises Pensar Infrastructure on sale of business

22 February 2023

5 min. read

HopgoodGanim Lawyers is pleased to have advised the owners of Queensland-based Pensar Infrastructure on the successful completion of the sale of their business to RSK Group.

Partner [Luke Mountford](#) and Senior Associate [Sarah Judge](#) led the HopgoodGanim team that advised Pensar on the transaction. HopgoodGanim's team undertook a full vendor legal due diligence, assisted with the management of the bid process, negotiated the transaction documents and implemented completion.

"HopgoodGanim Lawyers is proud to have advised the founders and owners of Pensar Infrastructure for many years, and it has been a pleasure working with the entire Pensar team throughout the course of this significant transaction," said Mr Mountford.

"Congratulations to everyone involved on the successful completion of this deal and we look forward to continuing to assist Pensar in its next phase of growth under the ownership of RSK Group."

Pensar Managing Director, [Karl Yunker](#), thanked everyone involved in the transaction.

"We have worked with Luke and the team at HopgoodGanim Lawyers for several years, and over this time the team has developed an intimate knowledge of our business and the industry in which we operate," he said.

"Having the support of the team at HopgoodGanim Lawyers, and the team at Pitcher Partners Brisbane, has been invaluable in helping us navigate this significant and important transaction for our business."

[Pitcher Partners Brisbane](#) have been Pensar's financial and taxation advisors for over 15 years. Their team worked alongside Pensar and HopgoodGanim throughout the transaction planning, process and completion.

HopgoodGanim's [Private Enterprise practice](#) comprises trusted experts who understand the nuances of privately-owned enterprises to help develop strategies for ongoing and sustainable success. The team brings experience across private capital raising, mergers and acquisitions and joint ventures; business structuring and taxation advice; commercial agreement drafting and negotiation; dispute resolution and litigation; workplace and employment law; family-owned business matters; and intellectual property.

About Pensar

[Pensar](#) offers insightful and original design thinking, implemented by a team with proven expertise to deliver flexible fit-for-purpose critical infrastructure solutions. It has been operating for 23 years, working across a broad and diverse Australian market. The company's delivery capabilities extend across process water infrastructure, non-process water infrastructure, specialist infrastructure, infrastructure rehabilitation and electrical infrastructure.

Harnessing the industry's best knowledge, it offers holistic and bespoke solutions for clients' critical infrastructure needs across government departments, regional and metropolitan councils, and the

private sector. Pensar provides clients with engineering, design, construction, and project management services.

Pensar is also certified to ISO 9001, ISO 14001 and ISO 45001 international standards for quality, environmental management and health and safety management.

About RSK Group Ltd

[RSK](#) is a global leader in the delivery of sustainable solutions. Its family of more than 175 environmental, engineering and technical services businesses and 11,000 employees work together in 40 countries to provide practical solutions to some of the greatest challenges societies have ever faced.

The company operates in most sectors of the economy, including many of those most critical to future global sustainability, such as water, energy, food and drink, infrastructure, urban development, mining and waste. With its integrated offering across research and development, consultancy and on-the-ground application, RSK can deliver a complete solution that is unrivalled in the market.

The company is certified to the ISO 9001, ISO 14001 and ISO 45001 international standards for quality, environmental management and health and safety management.

About RSK Australia
