

# Andrew Vinciullo joins HopgoodGanim Lawyers' Dispute Resolution Practice

19 March 2024

2 min. read

HopgoodGanim Lawyers has appointed Perth-based [Andrew Vinciullo](#) to its leading [Dispute Resolution practice](#). Andrew has joined HopgoodGanim as a Partner from Jackson McDonald.

Andrew has a career spanning more than 15 years advising clients in the construction, mining and resources industries, as well as regularly acting on behalf of both principals and contractors.

Andrew advises on a wide variety of commercial and corporate disputes including contractual disputes, construction adjudications and court proceedings, consumer and financial services law, disputes pursuant and related corporate legislation.

"HopgoodGanim is delighted Andrew is joining our national dispute resolution practice, bringing our number of partners firmwide to 43 across key industries and areas of practice" said Managing Partner, [Luke Mountford](#).

Andrew, an esteemed alumni of the firm, has maintained a close relationship over the years with HopgoodGanim. Andrew will complement HopgoodGanim's wider Perth team of corporate, resources and energy, commercial property and litigation practitioners and work closely with senior Partners, [Robyn Ferguson](#), [Nino Odorisio](#), [Paul Betros](#) and [Blake Frost](#).

"The Perth office is thrilled to welcome Andrew back. Andrew's familiarity with HopgoodGanim's culture and values, coupled with his extensive legal expertise, makes him an invaluable addition to our growing Perth team" said Ms. Ferguson.

HopgoodGanim's national Dispute Resolution practice has a proven track record of supporting corporations, government and private clients acting in disputes between local and international parties, across multiple jurisdictions, and on public and private investigations and disputes, including where the ATO, ASIC, ASX and ACCC are involved.

Andrew's appointment shortly follows [Adel van der Walt's commencement as Partner in our Resources and Energy Practice](#), bolstering the firm's continued growth across these key industries.
