

HopgoodGanim named in Doyle's Guide 2023 Leading Tax rankings

03 November 2023

1 min. read

HopgoodGanim Lawyers is delighted to be named as a Recommended firm in [Doyle's Guide Leading Tax Law Firms - Queensland 2023](#).

Our advisors offer dual qualifications in law and accounting, and work with large corporates, privately owned enterprises and high-wealth private individuals to resolve their taxation disputes with revenue authorities and develop effective tax structuring for future success. Their experience covers:

- Tax structuring
- Taxation audits
- Settlement and debt negotiation
- Taxation prosecutions, objections and appeals
- Advice on direct and indirect appeals
- Employee share schemes
- Self-managed superannuation compliance, including deed amendments, change of trustees and death benefit nominations
- Expert advice on the *Superannuation Industry (Supervision) Act 1993* and Regulations
- Taxation implications of mergers and acquisitions, joint ventures and capital raising activities
- Taxation implications of significant resources and property project participation
