It is with deep sadness that we advise of the passing of HopgoodGanim partner, Freda Wigan.

Freda passed away on Monday 22 November 2021, surrounded by her husband John and close family, after an incredibly courageous battle with a brain tumour.

To say that she will be missed by our firm is simply not enough.

Freda was a magnificent human being, lawyer, partner, mentor and friend to so many. She was unwavering in her commitment to practising law with excellence, compassion and warmth and to mentoring others to do the same.

Rest well dear Freda. You will forever be a part of the fabric of HopgoodGanim and never forgotten.
