HopgoodGanim Lawyers has been announced as the Pre-nuptial Agreements Law Firm of the Year in Australia, in the 2017 Global Law Experts - Annual Awards. We would also like to congratulate our future colleagues at Hunt & Humphry, who were also named the Mining & Petroleum Law Firm of the Year in Australia.

This award recognises the achievements of individuals and firms based on judgement across client testimonials, key cases, legal rankings, overall reputation, publication contributions, speaking engagements and the performance and standing of specific teams and individual lawyers. This is another exciting win for our family law team whose commitment to the family law industry is first tier. Their reputation for performance and excellence in client service is second to none. Congratulations on behalf of the entire HopgoodGanim team on a very well-earned result.
