Congratulations to our client, National Pump & Energy (**NPE**) on its successful acquisition of the Vortex Group.

The HopgoodGanim Lawyers' acquisition team was led by Partner, [Luke Mountford](#) and Senior Associate, [Richard Hanel](#), Partner, [Kim Hinton](#) and Senior Associate, [Kimberly Eichorn](#) assisted NPE on the financing aspects of the transaction.

"We've worked with the NPE team on numerous transactions throughout the course of our decade-long association with them."

"We congratulate them on the successful finalisation of this most recent acquisition, and look forward to continuing to work with them as they continue to expand their operations in Australia and New Zealand" said Luke Mountford.

"We are all very excited by the acquisition of the Vortex Group which will see NPE become the largest specialty pump rental company in Australia", NPE managing director Dave Campbell said.

"The team at HopgoodGanim really know our business, and have helped us yet again to achieve a successful outcome in what was a very complicated transaction".

NPE delivers Australia's most modern pump, power generation and compressed air fleet, along with a complete range of consulting, project, labour and specialist services to the mining, oil and gas and construction industries.
