Our [Intellectual Property team](#) has been listed in the [2019 World Trademark Review 1000](#) alongside leading Intellectual Property Partner, [Hayden Delaney](#).

Both Hayden and the firm were listed in the category of 'Prosecution and Strategy'. This is the third consecutive year our [Intellectual Property team](#) has made the directory and a testament to their commitment to providing clients with exceptional outcomes.

"A high degree of responsiveness, great value for money and a results-driven approach" are the order of the day at Brisbane and Perth firm HopgoodGanim. The set attracts a healthy concentration of software companies and most recently it secured the entire Australian trademark portfolio of Nvidia Corporation. The full-service firm has also been enjoying rapid growth, having recruited two additional patent and trademark attorneys and experienced a marked rise in licensing work. Hayden Delaney is a source of "profoundly practical and insightful advice on matters sitting between business, law and trademarks". WTR 1000

The WTR 1000 research directory focuses exclusively on trademark practices and practitioners and has established itself as the definitive 'go-to' resource for those seeking world-class legal trademark expertise. The WTR 1000 rankings undergo an exhaustive qualitative research project to identify the firms and individuals who are deemed outstanding in this service area.

When identifying the leading firms, factors such as depth of expertise, market presence and the level of work on which they are typically instructed were all taken into account, alongside positive peer and client feedback.
