

HopgoodGanim advises Richmond Vanadium Technology on ASX listing and IPO

13 December 2022

2 min. read

Congratulations to our client Richmond Vanadium Technology Limited on successfully listing on the Australian Securities Exchange (ASX), with trading commencing on 13 December 2022, raising \$25 million by way of IPO.

Richmond Vanadium Technology (ASX: RVT) owns 100% of the Richmond Vanadium Project in North Queensland, following Horizon Minerals Ltd (ASX: HRZ) completing a restructure of its 25% interest in the Project.

The Australian minerals exploration company is focused on advancing its Richmond Vanadium Project, with its large undeveloped oxide vanadium resource, including completion of a bankable feasibility study.

HopgoodGanim's involvement was led by Partner [Robyn Ferguson](#) and Senior Associate [Garrett Pearce](#). Partner [Damian Roe](#), Special Counsel [Elizabeth Harvey](#), Associate [Hannah Watson](#), Associate [Lily Robinson](#) and Solicitor [Hannah Pellegrino](#) advised on the matter.

HopgoodGanim Lawyers is a leading Australian independent legal and advisory firm operating nationally and internationally with a strong focus on the resources and energy sector from our two key locations of Brisbane and Perth.

We advise private and publicly listed resources companies, government bodies and small explorers and producers within Australia and internationally in the [mining and resources sector](#). We support businesses to achieve exceptional outcomes through our [Corporate advisory and governance practice](#).
